Benambra Intentional Community Launches their Little Library

Posted on July 6, 2016

Monday 4th April saw the launch of the Little Library at Benambra by Ms Gai Brodtmann MP. Written on the library is "Take a book. Leave a book." But of course you may take a book even if you don't have one to leave.

We think it will be another way of bringing people together through sharing a love of books and stories.

The Little Library is already full. We don't need any more donations yet.
